“The Spirit of Heaven”

“The spirit of liberality is the spirit of heaven. Christ’s self-sacrificing love is revealed upon the cross. That man might be saved, He gave all that He had and then gave Himself. The cross of Christ appeals to the benevolence of every follower of the blessed Savior. The principle there ([White, Counsels for the Church, p.272](#)).

“Marriage: The Greatest blessing given to Man”

“Marriage has received Christ’s blessing, and it is to be regarded as a sacred institution. True religion is not to counterwork the Lord’s plans. God ordained that man and woman should be united in holy wedlock, to raise up families that, crowned with honor, would be symbols of the family in heaven. And at the beginning of His public ministry Christ gave His decided sanction to the institution that had been sanctioned in Eden. Thus He declared to all that He will not refuse His presence on marriage occasions, and that marriage, when joined with purity and holiness, truth and righteousness, is one of the greatest blessings ever given to the human family.” (Ellen G. White, Daughters of God. P. 180).

Happy Sabbath!
