"Sealed by Christ's Atonement"

"Christ on the cross not only draws men to repentance toward God for the transgression of His law—for whom God pardons He first makes penitent—but Christ has satisfied Justice; He has proffered Himself as an atonement. His gushing blood, His broken body, satisfy the claims of the broken law, and thus He bridges the gulf which sin has made. He suffered in the flesh, that with His bruised and broken body He might cover the defenseless sinner. The victory gained at His death on Calvary broke forever the accusing power of Satan over the universe and silenced his charges that self-denial was impossible with God and therefore not essential in the human family." – **Ellen G. White, AG 153.7**
