Pastors Desk

"Act as if in the Visible Presence of God"

When the benediction is pronounced, all should still be quiet, as if fearful of losing the peace of Christ.

Let all pass out without jostling or loud talking, feeling that they are in the presence of God, that His eye is resting upon them, and that they must act as in His visible presence. Let there be no stopping in the aisles to visit or gossip, thus blocking them up so that others cannot pass out. The precincts of the church should be invested with a sacred reverence. It should not be made a place to meet old friends and visit and introduce common thoughts and worldly business transactions. These should be left outside the church. God and angels have been dishonored by the careless, noisy laughing and shuffling of feet heard in some places.
